

Chemistry Graduate Open House & Poster Session

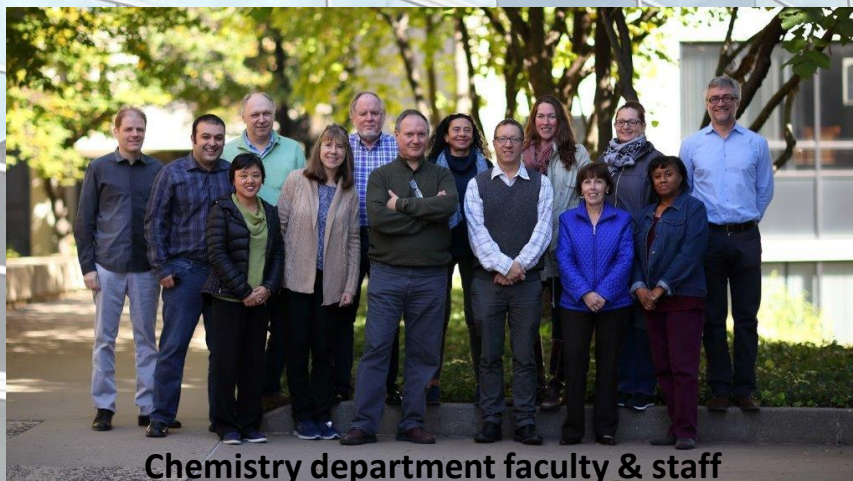

RU-N Graduate Chemistry Club is pleased to invite all current and prospective students to the 2017 Chemistry Department open house & poster session!

All RU-N graduate students are invited to present their research.

This is a great opportunity to learn about the ongoing cutting edge research inside the chemistry department from the faculty & presenters. You will also be able to participate in a brief tour of our instrumentational research facilities.

Date: Friday, Nov 10th 2017 5pm-8pm

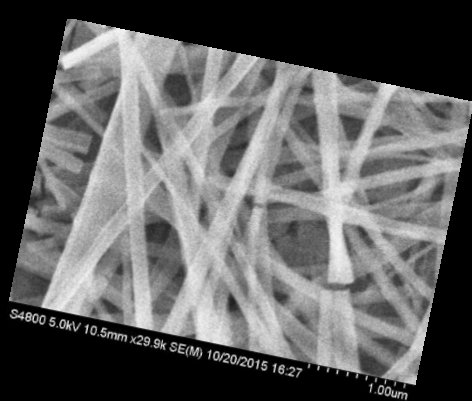

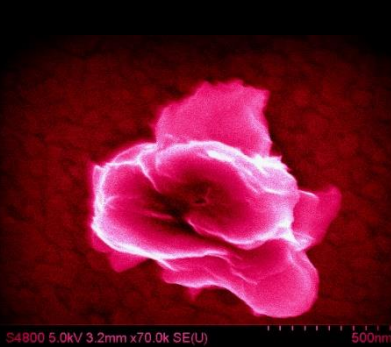

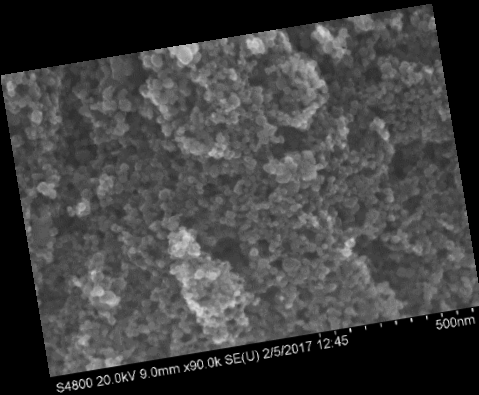

Location: 73 Warren street (Olson Hall) room 338 , Newark, NJ

Chemistry department faculty & staff
